- CTS suspension for comfortable long range use
- Delta tiller, ergonomic wraparound handles enables easy-to-use left or right hand operation
- Dual motors for added traction in rough terrain
- Feather touch disassembly permits simple frame separation with only one hand
- Standard front basket
- Full LED lighting package for safe operation in low light settings
- Standard dual under seat storage bins
- USB charger built into the tiller for convenient charging of smart phones and portable devices

Accessories*

- Back mounted accessories
 - Rear basket
 - Oxygen holder
- Cell phone holder
- Cup holder
- Double rear mount, 3"
- Forearm crutch holder
- 50" lap belt
- Micro, black, weather cover
- Rear view mirror
- Saddle bag
- Safety flag
- Single rear mount, 3"
- Walker holder
- Wishbone crutch holder

*Only one rear accessory can be used at a time.

Options

- 22 AH battery box (additional spare)

Military Patches

- 1 Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).
- 2 Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).
- 3 AGM or gel cell type required.
- 4 Tested in accordance with ANSI/RESNA, WC Vol2, section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
- 5 Battery weight may vary based on manufacturer.
- 6 Includes standard seat weight.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3%. Dimensions listed are for scooter only. Overall measurements will vary based on seating and accessory selections.
